

2020-2021 BOARD RECRUITMENT POSTING

Davenport Perth Neighbourhood and Community Health Centre (DPNCHC) is recruiting board members for its 2020-2021 board year. We are especially seeking individuals who reflect the racial/ethnic diversity of the community, and individuals who have leadership roles in local community groups or organizations. Some of the predominant populations that we serve are Afro-Caribbean, Spanish-speaking, and, Portuguese- speaking clients. We are seeking members who have an understanding of and an interest in representing the particular needs of these groups.

DPNCHC is a non-profit neighbourhood and community health centre located in the West Central area of Toronto in the Davenport Riding. **Our mission states, Davenport-Perth Neighbourhood and Community Health Centre provides integrated, accessible health and community services for individuals and families in our community who experience social and economic barriers, to ignite change, improve lives, and strengthen the community.** We offer a range of services that include: primary health care and health promotion programs for adults, seniors, children and youth, settlement services, and literacy programs.

The Davenport-Perth Neighbourhood and Community Health Centre is currently recruiting board members who can attend monthly board meetings, participate on a board subcommittee and participate in other Board and community events. Board members have an opportunity to contribute to the welfare of the communities DPNCHC serves, develop valuable skills, and help improve lives. Candidates may have an interest and/or expertise in the following areas:

- Social justice
- Fundraising

- Policy
- Community development
- Primary care health care
- Strategic thinking
- Financial planning/budgets
- Knowledge of Davenport West community

We have spots available for both **associate** (outside our catchment area seen below) and **community board members** who live within the following boundaries:

- **Bloor Street to the south**
- **The CN/CP rail tracks to the west**
- **Rowntree, Morrison Aves and St. Clair Ave West to the north**
- **Bathurst St to the east**

Catchment Area

DPNCHC encourages applications from candidates whose backgrounds are diverse in terms of culture, race, language, religion, class, gender/sexual orientation and ability.

Interested applicants should submit a resume and/or letter of interest by to:
